

# Conspiracy!

## Multiple Paths to Guilt

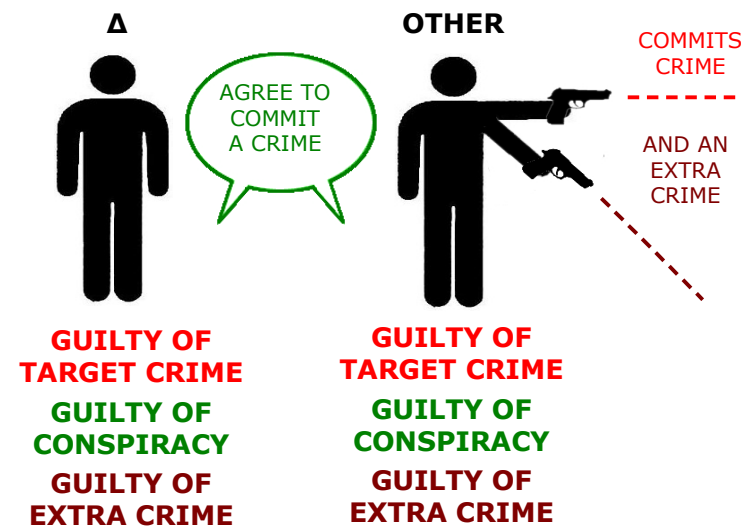

### Solicitation Can Become Conspiracy

But Solicitation Merges With Conspiracy

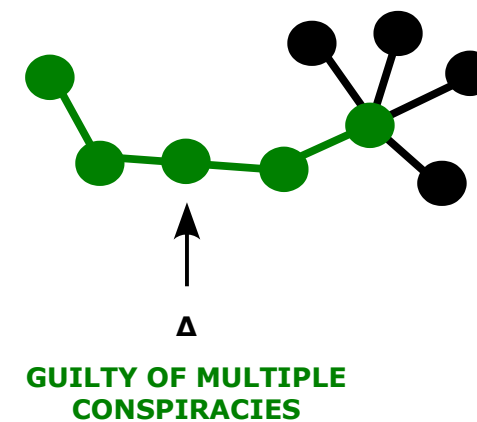

### Conspiracy Makes Δ Guilty Of Subsequent Crimes

Of Co-Conspirators, If They Are Foreseeable

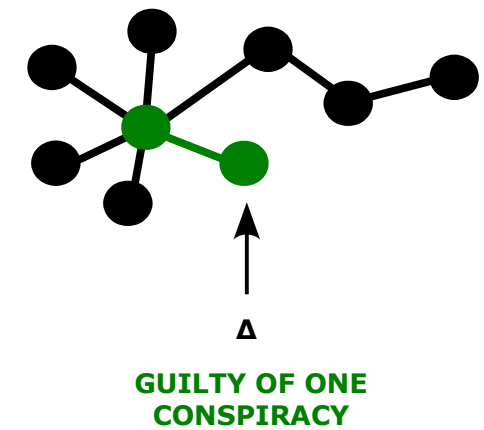

### Conspiracy Can Make Δ Guilty of Multiple Conspiracies

If Δ Is a Link in a Chain

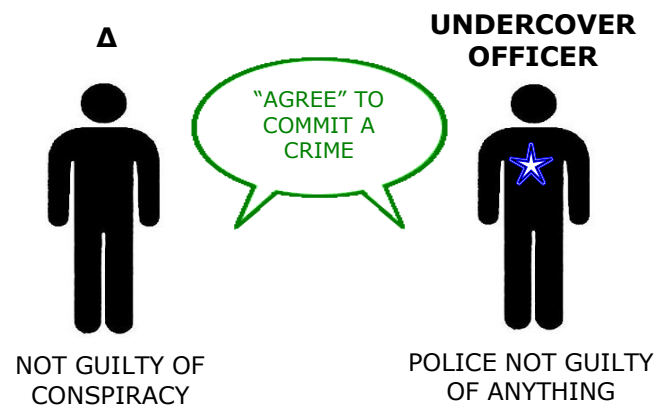

Instead of a Spoke in a Wheel

## Exceptions In Some Jurisdictions

### Conspiracy With Police

Not a Real Agreement, so Not Guilty

### Overt Act Requirement

Just an Agreement

Agreement & Overt Act

### Wharton's Rule

If Crime Is Impossible Without Agreement, Then No Conspiracy Unless More Agree

Examples:

DUELING BRIBERY ADULTERY

Only two people = NO CONSPIRACY

### Real Crime Requirement

Common Law

Modern Majority
